

## Information Session on Burderop Park Planning Application 2017

Thank you for taking the time to attend today's event, which we hope you have found useful.

In line with City & Country's commitment to continuing engagement with the local community, we would appreciate it if you could take a few minutes to fill out this form to share your views on the submitted proposals that have been presented to you today.

On the reverse of this form is a space for you to provide your personal details; this is optional, but will allow us to keep you updated with the status of the application. We have also included some further details on the submitted application on the reverse so you can track the application online using Swindon Borough Council's website.

***1. Please outline your general thoughts and comments in regards to our proposals for the restoration of the listed buildings:***

Two separate planning applications were submitted for the Site in January 2017. The first seeks to establish full outline planning consent for the redevelopment of the Burderop Park site. The second is a separate application for Listed Building Consent, which has to be established ahead of making changes to the various listed buildings on the Site.

**Submitted Application**

1. Full outline planning application:  
S/17/0128

*Will you support the application?*

Yes  No

Listed Building Consent:  
S/LBC/17/0129

*Will you support the application?*

Yes  No

If you would like to track the status of the application, or submit a comment to the Council, please search for the applications using the reference above on the Council's planning application webpage: <http://pa1.swindon.gov.uk/publicaccess/>.

In order for the application to have the best possible chance of gaining planning permission, it is vital that all those that wish to see the scheme move forward, make their views known. If you remain supportive of our proposals, we would be grateful if you could share your comments with the Council.

Please provide your contact details, so we can keep you informed of the project's progress:
