

First Public Consultation on Bramshill House and Gardens - October 2014

City & Country understands and fully appreciates the importance of the Bramshill House and Gardens in terms of its historical context and the long standing and close relationship it has with the local community.

As part of our series of community consultation events, we will also be regularly updating our website in order to keep you informed of the progress being made towards submitting a Planning Application.

We are determined to create a vision for Bramshill which will deliver an award winning, sensitively designed, carefully constructed, high quality development which will secure the long term future of the historic assets.

1. Have you visited the site before? If so when?

2. As part of our social and cultural heritage would you support Bramshill being restored and preserved for the benefit of current and future generations?

- Yes
- No
- Don't know

3. What aspects of the buildings, landscape and setting do you think are crucial to be preserved or enhanced in any development?

.....

.....

.....

How important would you rate the following factors in the redevelopment and restoration:

4a. To provide a long-term and viable use for the buildings to ensure the historic buildings are preserved for future generations. Please select.

- Not important
- Of some importance
- Important
- Very important
- Essential

4b. To quickly find a new future for Bramshill to prevent vandalism, theft and other damage that can occur during any prolonged period without a use. Please select.

- Not important
- Of some importance
- Important
- Very important
- Essential
