

Original Features

The contemporary interiors are created using a palette of pastel colours which blend perfectly with the historic features of the properties. Each home has also been cleverly designed to maximise space and natural light, with careful attention paid to every detail of the interior finishes.

Kitchens

The conversion homes in the King Edward VII Estate have individually designed luxury kitchens with a mixture of finishes to suit.

- Contemporary slab doors painted in a selection of Heritage colours
- Stone worktops
- Stone upstands and splashbacks
- Stainless steel appliances from Siemens including single and combi oven/microwave and ceramic hobs
- Integrated dishwasher & fridge/freezer

Bathrooms

Bathrooms are modern and understated featuring soft colours and quality brands.

- Sanitaryware from Vitra
- Brassware from Hansgrohe
- Shower enclosures and screens from Simpsons [where possible]
- Natural Grade A Travertine tiles to floors and walls
