

# The Restoration and Viable future of St Osyth Priory – Public Consultation and Open Day July 2017

On behalf of the Sargeant Family and City & Country, thank you for attending the Public Consultation and Open Day event regarding the restoration of St Osyth Priory. The scale of this project means that there is still a considerable amount of work to be done and we wish to work with the Local Community and key Stakeholders to deliver a scheme worthy of St Osyth Priory. As such, we would appreciate it if you could take a few minutes to fill out this form and to provide us with your views on the proposals that have been presented to you today. These comments will be used to shape the final proposals and will be included as part of the Submission to Tendring District Council.
